### Education

**Ph- Degree /2000-2002/** - Bulgarian Academy of Sciences, Institute for Philosophical Research, Section: Philosophy of Science. During the period I have passed five exams with excellent scores. The title of my dissertation work is: "Epistemological status of theoretical constructs". I have accomplished and successfully defended my dissertation thesis on June 2003. Through the scholarship I have participated in five national conferences and one international school / Varna 2002/, as well have taken a part in organizing committee of First Ph-D Conference in Institute for Philosophical Research on May 2001.

**University /1993-1998/** - Veliko Tarnovo University "Kiril and Methodii", philosophical department, speciality: philosophy.

**MA** program includes: History of Philosophy (Ancient Greek Philosophy, Philosophy of Middle Ages and Renaissance, Classical German Philosophy, Philosophy of 17-19 centuries and Contemporary Philosophy), Logic, Ethics, Aesthetics, Theory of Knowledge, Sociology, Psychology, Politology, Philosophy of Law, Dialectics, Philosophy of Science, Philosophical Anthropology, Rhetoric, etc.

I have attended lectures (these are the so called "freely chosen disciplines") on Logic, Russian Philosophy, Philosophy of nature, History of Russian philosophy.

I have attended several specialization courses: Logic, Philosophy of language, Epistemology, Philosophy of science.

My graduation thesis has worked on Philosophy of Pozitivism: "Relation between philosophy and science in Pozitivistic philosophy". I have successfully defended dissertation and have had excellent final average scores.

**Secondary school / 1988-1992/** - technical school where the program was based on special courses: electronics system, technical drawing, hardware system, etc; and basic humanitarian courses: literature, history, philosophy, biology, geography, etc. The technical school has the practice priority during four years. I successfully defended diploma work and passed two professional practice examinations with excellent scores in May 1992.

### Dissertations
